

30/03/2020

Good morning and welcome to the second week of independent learning at home. Most students are engaged with this and work has been flowing in. It is vitally important that students continue to complete coursework and meet all deadlines set by tutors.

We hope everyone is safe and well at this uncertain time and our thoughts go out to you and your families.

To clarify, at the start of each academic year for vocational courses we send an assessment plan to the exam boards which outline which assignments have been set, the submission dates and the final decisions. The exam boards will then use this as a guide to predict our results in these uncertain times. They will also ask for student work to verify these decisions. For those units not yet complete, the exam boards may ask for assignments to date to predict an overall grade for the unit. This means that for units that have just started the initial assignments should have been submitted **prior** to the Easter break as per our assessment plan. These assignments will apply to the following units for students:

Exercise, Health & Lifestyle – Spellow Yr 13 Assignment one

Psychology - Vauxhall & Spellow Yr 13 Assignment 1

Research Methods – Vauxhall Yr 13 Assignment 1

Professional Development and Coaching– Yr 12 Level 3 All sites – Tutor schedule set. These assignments should be completed where written work is asked for. The practical work will be completed at a later date.

Sport Injuries and Effects of Exercise – OCR Level 2 in addition to completing Practical Sport.

NVQ and Level 1 BTEC – Work/Unit booklets to complete and hand in when complete to individual tutors.

This is in addition to all work that should have been submitted to date. We will not be able to predict grades if units that should have been completed have not been handed in.

We understand that some of the year 13 students have unconditional offers for University however all units have to have passed to enable them to complete the full 3 A Level equivalent qualification. Without work and marks for each unit which cannot be predicted without being up to date we cannot predict grades for the qualification.

Please note, students will receive emails from tutors on a regular basis to their school email accounts. This will include the setting of deadlines for assignment work to be emailed in. Tutors are also available on-line each weekday morning from 10-12pm for help and guidance and submission of work. A reminder of all work to complete can be found below.

Students will also be asked to confirm their attendance and wellbeing via our heja app twice a week. Students are aware of how to use the app. They will see a schedule which will start with attendance – students need to reply 'going'. If we do not hear from students then form tutors will contact home. This app is not to be used for messaging. It will be used only for attendance purposes. To download the app look for heja in the app store, download this and enter the team code IB-423331.

All students have office 365 accounts. If they have not yet accessed this please follow the following guidance:

- Use the browser bar and type into the internet office365

- Use log in
- Enter the user name which is initial, surname @evertonfootballcollege.com (for example jbloggs@evertonfootballcollege.com)
- Enter password
- If it is the first attempt to log in please use the password Freeschool1. It will then prompt you to change this.

Work to complete for all groups – March 2020

Level 1 Spellow:

BTEC Units	<p>The following BTEC units and work need to be completed.</p> <p>Unit 1 – 6 have been completed in class. Some students may have to make amendments.</p> <p>Units 7-8 are practical units to be completed in the summer term.</p> <p>Units 9 & 10 have been sent home with students to complete. These are work booklets that can be easily completed and should be finished prior to the Easter break.</p>
-------------------	--

Level 2 OCR Spellow

Unit 7 Effects of Exercise	<p>Drugs in Sport assignment for Maxine. Students have been sent the brief via email and have images and a check list to complete this. Pass and merit work.</p> <p>Energy Systems brief and power point have been sent home via email. Guidance on how to complete this task has been delivered by the tutor and students are aware of what they need to do to complete this task.</p>
Unit 1 Practical Sport	Students have been sent assignment 4 brief via email. There are a few students who have outstanding work for rules and regulations and this should be completed ready to submit.
Unit 8 Sport Injuries	Work booklets to complete prior to the Easter break have been emailed to all students for this unit.
Any outstanding work	There are some students who have not yet passed core units from semester one. These need to be completed ASAP.

Level 2 NVQ

Unit 1, 2,3,4,8	Should be complete. There will be some students who have not completed this. This needs submitting ASAP.
Unit 6,7 & 8	Work booklets have been sent home via email for all these units. Students are able to complete these at home.
Any outstanding work	There are some students who have not yet passed core units from semester one. These need to be completed ASAP.

Level 3 Year 12 All sites

Coaching	Assignment 1 due in Tuesday 17 th March - Jericho All assignments sent home via email
Leadership	Resubmission for Assignment 2 is due in Monday 16 th March – Jericho
Professional Development	Assignment 1 presentation to be complete Monday 16 th March – the rest of the assignment is due Monday 27 th April – Jericho Students have been sent both assignment briefs, guidance relating to how learners can achieve each grade, PowerPoint slides to help with relevant tasks and exemplar CV and application form templates. Students should follow the assignment brief step by step and use the criteria to complete relevant work.
Fitness Testing	Resubmission for Assignment 2 is due in Monday 16 th March – Jericho Vauxhall – resubmissions to do
Practical Sport	Assignment 1 booklet for 2 sports should be completed
Any outstanding work	There are some students who have not yet passed core units from semester one. These need to be completed ASAP.

Level 3 BTEC Yr 13

Psychology	X 3 assignments. These have been sent home
Exercise, Health & Lifestyle	X 3 assignments This includes any amendments for those completed in Semester 1 (Vauxhall) Spellow students have been sent all 3 assignment briefs along with guidance for each student to look at which will help them to see what they must do to achieve each grade.
Research Methods	X 2 assignments Assignment 1 (Vauxhall) should be completed by 19/03/20)
Rules & Regs	X 2 assignments
Skill Acquisition	X3 assignments. This is a semester one unit and should have been completed on all sites. Some students need to resubmit work
Any outstanding work	There are some students who have not yet passed core units from semester one. These need to be completed ASAP.

Year 12 BTEC students will also be set additional unit work to complete during the summer term. These will be emailed across at the end of this week.

Lastly we are awaiting information from the exam boards for all examination units. It is highly likely that students will be able to sit their exams early next academic year if they are year 12 students. This will apply to BTEC exams and GCSE where applicable. Therefore until we know for certain at present we will not use predicted grades for all returning students as they will have the opportunity to sit these exams during the autumn term. When we have more information regarding this we will be in touch.

As always, we appreciate your support,
Everton Football College
