## End of Academic Year/Season 2021

### **END OF YEAR ACHIEVEMENTS**

Congratulations to all our students on their academic achievements. We have celebrated a mixture of Level 1, 2 and 3 learners completing their studies in addition to celebrating excellent football achievements throughout the year. We have been fortunate to send students to Aruba on work experience with excellent feedback received enabling us to offer these opportunities again next academic year.

To complete the year we are facilitating coaching courses at Jericho next week to enable our students to gain a Level 1 multi skills activator award. This will allow our budding coaches to hone their skills to enable them to coach our football camps and assist PE lessons in local primary schools.

We have been extremely proud of the Nil Satis, Nisi Optimum attitude to all aspects of Everton College life this year. It has been a demanding and challenging year and we have been proud of the achievements of all students.

A first for us this year – a huge congratulations to our very first cohort of degree students who graduate this month from Everton College and LJMU.

### **TASTER SESSIONS/PRE-SEASON TRAINING**

Our taster sessions across all sites have been really successful with some great skills on show. Now it is time to take a break from football until pre-season training. You will be provided with some fitness challenges to keep your fitness levels honed this summer prior to joining our 2 week pre-season training in August.

### **BTEC/GCSE RESULTS DAY**

All vocational Level 3 qualifications are released on Tuesday 10<sup>th</sup> August. Your results will be emailed to your college email address on this day. Year 13 only will receive their results. Those students who wish to apply to university and have a UCAS application will need to contact UCAS or your chosen university on this day to confirm your place. You will also need your results if you are applying for a university place through clearing.

GCSE results day is on Thursday 12<sup>th</sup> August. All new and returning students will need to attend one of our sites on this day with exam results. This is so we can place students at the right site on the right course. To confirm a level 3 course requires students to gain 5 x grade 4 (C) and above including maths and English. For a level 2 course a grade profile of 4s, 3s or C and D grades is required.

We will be open from 10-2pm on each site. Tutors will process your exam results and provide guidance on the level of course and site studied on this day. Please make every effort to attend. We realise that some students may be away. If this is the case results can be emailed through to [info@evertonfootballcollege.com](mailto:info@evertonfootballcollege.com).

### START OF TERM ARRANGEMENTS

All students start the new academic year on Friday 3<sup>rd</sup> September at 9am. This will be at the allocated site. The day will be filled with admin tasks but mostly practical based. Students should arrive in kit. Timetables will be allocated on this day. Academic timetables will run across 3 days however GCSE resit maths and English may be timetabled across the week. There is the opportunity to train each day (normally after lunch) with most matches being played on a Wednesday for all leagues and competitions
